Coming up soon is Pride Weekend in San Francisco! You'd rather be diving, but most likely you won't have time to dive. But, your dry buddies aren't interested in hearing about the little colorful nudibranch or the fearsome shark you saw on your last trip or even your new dive computer. It's hard to imagine! So, you're itching to get a little dive time in. Maybe you need a little dive talk, something to eat, maybe a chance to trade some of your good used dive gear for someone else's.

Fortunately, you're a Northern California Rainbow Diver, and you could spend a few hours in the middle of Pride weekend hanging out with the cool and wet guys and gals. We'll have the food, the drinks and gear to trade, give away, sell or buy. You'll get to meet other club members, catch up with old friends, make new dive buddies, listen to Trip Leaders talk about upcoming SCUBA travel and get tips about great places to dive. It's the annual NCRD Summer Social; it's SCUBA chat and it's free!

One other thing, let's be frank for a moment. Like your friends, ours have heard our dive stories a few times too many :-). We'd totally love it if you'd bring a friend along who'd really be interested in hearing our dive tales and learning a bit about our club.

So, put Saturday, June 29th from 1 - 4 p.m. on your calendar for your break from all the non-dive activities. Please let us know you're coming by [registering](#) for our annual summer social. Looking forward to seeing you there!

The **May** edition of the club's *Buddy Line* newsletter is available for your reading pleasure! See who received DFL charitable contributions in 2013, learn about the club's new approach to organizing local dives, catch up on what's happening with our donations to the Pacific Grove hyperbaric chamber, review our upcoming events calendar and lastly, listen to one member's testament as to what it means to belong to the best dive club of all, the Northern California Rainbow Divers!

If you made a donation to the Pacific Grove hyperbaric chamber, the Monterey Bay Sanctuary Foundation responded to your generous support with a resounding thanks for your leadership in helping the chamber get back online and continue to play its part in ensuring our local coast remains a world-class dive destination. You may wish to **download** a copy of the thank-you letter from Monterey Bay National Marine Sanctuary Foundation for your IRS records.

MICRONESIA 2014 IS OPEN FOR REGISTRATION

Micronesia's warm, tropical waters offer some of the most varied and biodiverse diving in the world. Replete with azure waters, unspoiled reefs, hidden caves and walls, the diving is spectacular with abundant marine life on world-class reefs. Please join us!

2013 TRIP UPDATES

Seychelles Land-Based Dive Resort
October 3-10, 2013 (7 days)

We still have room for 1-2 divers on our Seychelles dive expedition. Stunning topography of expansive reefs, walls, pinnacles, drop offs, wrecks and canyons make for one of the most diverse marine environments around, teeming with both fish and coral life. [Read more](#)

Fiji Taveuni Dive Resort
September 23-28, 2013 (5 days)

If you're on the fence about joining our land-based SCUBA expedition to Fiji, there may still be space at our Taveuni paradise in the stunningly beautiful Fiji Islands. Longer stays before or after our group's 5 nights may be available. [Learn more](#)
